Walk awhile, walk awhile, walk awhile with me  
The more we walk together love, the better we'll  
agree  
We'll agree

One hand in your mouth and a finger in your eye  
Undertakers bow their heads as you go walking by

Walk awhile, walk awhile, walk awhile with me  
The more we walk together love, the better we'll  
agree  
We'll agree

Here comes another Sunday, ringing on the bell  
And here comes your own dear child with another tale  
to tell

Walk awhile, walk awhile, walk awhile with me  
The more we walk together love, the better we'll  
agree  
We'll agree

Bring along the brewer's head, bring the cuckoo tree  
Bring your lady mother along to keep us company

Walk awhile, walk awhile, walk awhile with me  
The more we walk together love, the better we'll  
agree  
We'll agree

Two miles down the road, Henry Tomkins' wife  
Three miles down the road, he's running for his life

Walk awhile, walk awhile, walk awhile with me  
The more we walk together love, the better we'll  
agree  
We'll agree

O walk awhile, walk awhile, walk awhile with me  
The more we walk together love, the better we'll  
agree  
We'll agree
