Wishing that I could see you every day  
Wishing that I could steal your heart away  
Dreaming of the time I can hold you tight  
Wishing that the time would come tonight  
I been hopin' all along things would turn out right  
If I could find a wishing star then I would spend the ni-i-  
ight  
Wishing that I could see you every day  
Wishing that I could steal your heart away  
I been hopin' all along things would turn out right  
If I could find a wishing star then I would spend the ni-i-  
ight  
Wishing that I could see you every day  
Wishing that I could steal your heart away
