Wishing that I could see you every day
Wishing that I could steal your heart away
Dreaming of the time I can hold you tight
Wishing that the time would come tonight
I been hopin' all along things would turn out right
If I could find a wishing star then I would spend the ni-i-
ight
Wishing that I could see you every day
Wishing that I could steal your heart away
I been hopin' all along things would turn out right
If I could find a wishing star then I would spend the ni-i-
ight
Wishing that I could see you every day
Wishing that I could steal your heart away
