You give me, give me Goosebumps

I look in your eyes
it's giving me power
lighten me up, set me on fire

it knocks me down
it knocks me down

It touches my heart
and making me shiver
pumping my blood into a river

of emotions
of emotions

I'm waking up the city
calling out your name
I never felt like this before
We're gonna make it happen
We got the connection

You give me, give me Goosebumps
You give me, give me Goosebumps
And I just can't shake this feeling
but it makes me come alive
You give me, give me Goosebumps
You give me, give me Goosebumps
'cause I just can't stop this shivering
but it fills me with desire

You're under my skin
cause a reaction
I'm taking you in
with every breath

I'm trembling

I'm trembling

We're gonna make it happen

We got the connection

You give me, give me Goosebumps

You give me, give me Goosebumps

And I just can't shake this feeling

but it makes me come alive

You give me, give me Goosebumps

You give me, give me Goosebumps

cause I just can't stop this shivering

but it fills me with desire

Yeah

Yeah

You give me, give me Goosebumps

You give me, give me Goosebumps

And I just can't shake this feeling

but it makes me come alive

You give me, give me Goosebumps

You give me, give me Goosebumps

'cause I just can't stop this shivering

but it fills me with desire
