Cause I won't take it or leave it  
I know it's dangerous  
but this is how it's gonna stay(-ay)  
I mean, everything you do  
I don't need a reason  
Cause I'm the one controlling the way this is play-ay-ay-  
ayed

Cause I know, you know, I know all I want  
That you can't see what's really going on  
'Cause the mind can't tell that you're famous  
Things ain't always as easy when I do things your way(-  
ay)

(You're manipulated)  
You're manipulated  
You're manipulated  
(You're manipulated)

I'm not one for playing sa-a-fe  
Come lock me away-ay, and do what you say-ay  
'Cause I know that you'd like to be making the rules  
So I'll play the fool, you'll like when I do-o-o-o

Let's reverse psychology  
I'm ready to comply-ay-ay-ay...
