I'm talking bitches and bands
Worth a fucking 50 grand
I'm talking bitches and bands
Get a blowjob in Japan

I'm talking bitches and bands
Bring that money in my hand
I'm talking bitches and bands
I don't think you understand

I'm talking bitches and bands
Worth a fucking 50 grand
I'm talking bitches and bands
Get a blowjob in Japan
I'm talking bitches and bands
Bring that money in my hand
I'm talking bitches and bands
I don't think you understand

Bitch I'm back, hot today
Pocket fat, your knickers red
I'm nicked bad, I need a fix
I keep it strapped, I saw them tear
Niggas talking life
They opened up and made a miracle
I play the gang, you niggas lame
I look forward to come fuck your hoe
Bang a bitch, I'm living it
Getting heavy, stepping it
I'm rolling up that medicine
I shouldn't let you step in it
Niggas run their mouth for two
They see the top, I'm spitting that
Keeping niggas out [?], pay for what we talk about
Yeah, stunt with my bizz out
'Bout to set your bitch out
Drop what we gripped out
Yeah, and I'm stuntin' with my bizz out
'Bout to set your bitch out
Drop what we gripped out

I'm talking bitches and bands
Worth a fucking 50 grand
I'm talking bitches and bands
Get a blowjob in Japan
I'm talking bitches and bands
Bring that money in my hand
I'm talking bitches and bands
I don't think you understand

I'm talking bitches and bands
Worth a fucking 50 grand
I'm talking bitches and bands
Get a blowjob in Japan
I'm talking bitches and bands
Bring that money in my hand
I'm talking bitches and bands
I don't think you understand

She sucking like she from Japan
Suck my dick without her hand
How connected, in the street
We eat, we hustle up and bam
Rest in peace, [?], my nephew Chris got 25
Taught me with that cryptic shit
Tonight it might be the night
If I don't make it fuck that border file
Back to balling, back to smoking
Sipping on that purple lotion
High fucking roller coaster
She stupid and she lawless
She love to switch, come fuck the clique
I'm fly as shit, come take a pic, I'm chasing thrill
Yeah, that guap I get, that game I speak
One night with it you know I hit
You staying with that bitch I fuck
Yeah, that guap I get, that game I speak
One night with it you know I hit
You staying with that bitch I fuck

I'm talking bitches and bands
Worth a fucking 50 grand
I'm talking bitches and bands
Get a blowjob in Japan
I'm talking bitches and bands
Bring that money in my hand
I'm talking bitches and bands
I don't think you understand

I'm talking bitches and bands
Worth a fucking 50 grand
I'm talking bitches and bands

Get a blowjob in Japan
I'm talking bitches and bands
Bring that money in my hand
I'm talking bitches and bands
I don't think you understand
