If ya real then you know what I'm talkin' 'bout

Rich Boy, I don't know what these niggas thankin'
Bet a thou', shoot a thou' what you niggas bankin'?
Comin' down like snow in the winter time
I don't know about you, but I'm gettin' mine

D I P never cold, nigga, hell yeah
Zone 4 gon' pull up in the ATL
Gettin' money, already know what it is
Don't stop, bitch, what the business is?

Get my ass then a lazy boy sofa
Keep my toaster, warm in my holster
See you got ya lil' jewelry but I'm chunked out
All the hatin' playboy, get ya stomped out

Naw, I don't wear tight shirts wit' the cuff links
See the big VS stones make ya eyes blink
Say I talk slow and I rhyme funny
But I ain't thinkin' 'bout nothin' but the big money

Big cake, big shrimp on a big plate
Nigga so iced out like a snowflake
Don't hate big crib wit' the big lake
Say she wanna taste some of that milkshake

Put'cha money where ya ass at and run that
Just gettin' started, nigga, we did done that
What you know about them folks that was shootin' it
off?
While y'all was lyin', runnin' and movin' ya moss

Homeboy, we ain't goin' for the okie doke
'Cause we'll pop it off quick wit' the gun smoke
See what I tote, keep it in my lap
If these hollow points hit'cha, nigga, it's a wrap

Fuck talkin', get took, boy, looka here
Rich Boy really do it, boy, looka here
We can buy the bar all night, looka here
I can show you what a stack like, looka here

Fuck talkin', get took, boy, looka here
Rich Boy really do it, boy, looka here
We can buy the bar all night, looka here
I can show you what a stack like, looka here

Yeah, I ain'tsta, don't die, naan, nigga
Rich Boy, Alabama ex-figure
Stack quicker, drank good hard liquor
Fuck a squad, better have God wit'cha

Cool like a muh'fucka wit' a pimp cup
All my folk gettin' money throw your prank up
Yeah, real deal playa gon' ball out
Come drank what'cha drank 'til ya fall out

Where my girls at? Baby, make 'em pay mo'
Gon' show a nigga how you make it shake slow
Yeah, represent, tell 'em who ya click
Throw 'em up, nigga, go on show 'em who ya wit'

Fuck talkin', get took, boy, looka here
