All yall watch'n my game, catch me high hoppin on to tha plane

Impossible, I'm unstoppable, born 2 ball 2 tha top i go

I'm a ball-a-holic, ball hogg
touch screen flippn out it fall

Seen a lot but I still can't stop
Haters get hot when the champagne pop
See my block got the game on lock
How the fuck yall gunna take my spot
Hopping out hoes out all on my jock
I just love when she make that drop
Make your bitch take off her top
I stack big knots an i make that gwap

Check my stash grip my cash
Old school's with the digit dance
Zoom police let it pass
Super sport outrun they ass
Check my stash grip my cash
Old school's with the digit dance
Zoom police let it pass
Super sport outrun they ass

So if it aint bout that gwap then what the fuck you talkin about?

You be talking like you stack'n now so we pull'em out

So if it aint bout that gwap then what the fuck you talkin about?

There's some paper in your safe in a drop we'll get it out

King of the city you can tell them I'm that

Asshole number one you can tell them I'm back
Made a movie last night it's time to play back
Either n my benz or n my mayback
Atonic whip yu can c its off track pimpin aint dead tell
them it's brought back
But go to â€¦ next to.....?
I get in get out and never dive in
Into the? to be hide in
In the parking lot of a club I'ma slide in
And have tha parkin lot watching like a drive in
All eyes on me swear to god I was hot
â€¦ pourin on glass.....?

Taking me up out ov it of something that they not if I hit
them with a cap swear 2 god they would stop
Everybody get it, I don't â€¦ mine, tell them lame
motherfuckers that its game time
A bunch of niggas thats lost know my name fine
I get money and I plug at the same time, ugh
Better ask about me, then again you ain't gotta ask shit
If you part of the streets and they mention there was a
do it for the hood guranteed i was it

So if it aint bout that gwap then what the fuck you talkin
about?

You be talking like you stackin now so we pull'em out

So if it aint bout that gwap then what the fuck you talkin
about?

There's some paper in your safe in a drop we'll get it
out

Throw my shit from remote patron
Automobile wheels wrapped in gold
Pop that thang spin around the pole
Girls wanna go to the after show
When I come through better watch my shoes
Lookn at me nigga what about yu
See I do what you niggas try 2
Like fuck a bad bitches in my bed by 2's
dont have 2 pay 4 shit baby it's free
all the queens wanna come see me
â€¦rich â€¦ go past the car
Pass the case see my grind, premature, ahead of my
time
Let my bitch puss... I'ma lay back, breaka bad boy and

Talk about me â€¦ bitch sit like evry car contrast
4 kilos you ever seen that? Watching my bag â€¦

Got money by tha rack mvp cuz im makin touchdowns

So if it aint bout that gwap then what the fuck you talkin
about?

You be talking like you stackin now so we pull'em out

So if it aint bout that gwap then what the fuck you talkin

There's some paper in your safe in a drop we'll get it
out
