When the sun goes to sleep, and crazies roam the
streets
Lit towers are giant flowers, sprung up all around me
And the tears I can't fight back, drip down to the
railroad tracks
My mind rages like animals in cages, locked up in a
zoo

You, you're the reason I'm here tonight
You, you're the reason I stand to fight
See whether I win you or I loose you
I'm just crazy under the moon

I swear I see your face, yeah I still savor the taste
Of your lips on the tips of mine
What a waste, what a waste of my time
See I can never let this go
Yeah my hand needs a hand to hold I
Couldn't get this much regret
Without diggin' up hole, after hole

You, you're the reason I'm here tonight
You, you're the reason I stand to fight
See whether I win you, or I loose you
I'm just crazy under the moon

I'm not leaving till I see you smile
Even if you fake it for a while
See I always butcher it, with the last line
But silently just promise me you're mine.

You, you're the reason I'm here tonight
You, you're the reason I stand to fight
See whether I win you, or I loose you
Whether I win you, or I loose you
Whether I win you, or I loose you
I'm just crazy under the moon
I'm just crazy under the moon
