Hearts are like flowers  
To be broken  
When you spaced them on the floor  
It always stinged  
And you said you'd always  
Be a friend to be  
But you do things in your life  
That will change someone  
More that you'll ever changed youself  
And it will never be the same  
No it will never be the same  
No it will never be the same  
Loving you  
Heart are like lovers in the spring  
Everyday has something new to bring  
But now my heart is like your tears on a string  
Cause you do things in your life  
That will change someone  
More than you'll ever change yourself  
And it will never be the same  
No it will never be the same  
No it will never be the same  
Loving you  
No it will never be the same  
No it will never be the same  
No it will never be the same  
No it will never be the same  
It will never be the same  
It will never be the same  
Never be the same  
Be the same  
Never be the same  
Never be the same  
Never be the same  
Never be the same  
Be the same  
Oh la la la oh la la la  
Oh la la la oh la la la
