#### Verse 1:

I'm the one who opens doors of hope  
To a new world full of joy and love  
It's my time to make a great impact  
Let's get together and let's react

I clean the world, make the difference go  
I stand for love, not the war for gold  
I spread the seeds, you let it grow  
Cause we all aim for a brand new world

#### Chorus:

Here's a mystery, I reveal to you  
Older than Egypt and the pharaohs too  
Tonight the stars so bright  
With sand under your feet  
Feel the rhythm it can set you free  
I'm the prince of Babylon  
I'm the prince of Babylon  
I'm the prince of Babylon  
The Chosen one

#### Verse 2:

Enough of the anger  
Spread love to the stranger  
I build for the better  
And let's get together  
Like water through fire  
I reach my desire  
I speak for my people  
My voice is a giant

I clean the world, make the difference go  
I stand for love, not the war for gold  
I spread the seeds, you let it grow  
Cause we all aim for a brand new world

#### Chorus:

Here's a mystery I reveal to you  
Older than Egypt and the pharaohs too

Tonight the stars so bright  
With sand under your feet  
Feel the rhythm it can set you free  
I'm the prince of Babylon  
I'm the prince of Babylon  
I'm the prince of Babylon  
The Chosen one...
