Chorus:

If you put it down right like the way I want  
Play your cards right maybe we could fall in love  
If you put it down right like the way I want it,  
Play your cards right maybe we could fall in love

I'ma put it down, you can fall in love  
I'ma put it down down, you can fall in love  
I'ma put it down, you can fall in love  
I'ma put it down down, baby we could fall in love  
I'ma put it down, you can fall in love  
I'ma put it down down, you can fall in love  
I'ma put it, I'ma put it, I'ma put it, I'ma put it  
I'm I'm

Chorus:

If you put it down right like the way I want  
Play your cards right maybe we could fall in love  
If you put it, put it, if you if you put it down  
If if if you put it, maybe we could fall in love  
I'ma put it down, you can fall in love  
I'ma put it down down, you can fall in love  
If if if you put it put it maybe we can fall in love  
I'ma put it down, you can fall in love  
I'ma put it down down, you can fall in love  
If if if you put it put it maybe we can fall in love

Oh top game it's so tough, damn I love it all  
Even the way you flags that's what turns me on  
Uh you know you make me weak, just cause the way  
you are  
'Cause everybody in know that you're a star  
And yeah it's... and you know I got the sweetest heart  
But any man that once to spare you he gonna have to  
work hard  
From what I see you got what I want  
That's just have the pie gotta see what you but on to  
make sure  
But you're the one,

[Chorus:]

The... and texting you boy 'cause I'm wrong  
Gotta pull up in that come up when I see what I want  
Gotta go old school with me sometimes  
Still keep it slow, 2012 for me 'cause I still beef it up  
And I still I want you to know I got the sweetest heart  
And even though he can buy that coop for me  
He gonna have to work hard  
And now I gotta say what I want  
And that's just have to...  
I gotta feel with you put on it to make sure that you're  
the one  
No,

[Chorus:]

I need the... behind... in the sy and text me  
Oh and when you're gone that... times with kisses...  
can't be

[Chorus:]

If you put it down right like the way I want  
Play your cards right maybe we could fall in love  
If you put it down right like the way I want it,  
Play your cards right maybe we could fall in love
