I could tell you I know you. Or I could tell you
Goodbye.
You could tell me I've got nothing you want. I'm not
About to cry.
All this fuss over nothing. Just to tell me I lied.
If you wanted I could lie down baby. And you could spit
In my eye.
But I can't stop thinking, can't stop thinking of you.
No, I can't stop thinking, can't stop thinking of you.
(I know it's crazy). After all the things you put me
Through. I can't stop thinking, can't stop thinking of
You.
What we shared was true blue. I wouldn't quote you on
That.
You blew me up like a 10 amp fuse babe. I found it hard
To come back.
All this fuss over nothing. I should have told you last
Night.
If you want I will die now baby and you can read me my
Rights.
But I can't stop thinking, can't stop thinking of you.
No, I can't stop thinking, can't stop thinking of you.
(I know it's crazy). After all the things you put me
Through. I can't stop thinking, can't stop thinking of
You.
(Can't stop) I'm never gonna get away.
(Can't stop) She's never gonna go away.
(Can't stop) I'm never gonna get away.
(Can't stop) She's never gonna go away.
You're still on my mind after all you put me through.
You're still on my mind after all you put me through.
But I can't stop thinking, can't stop thinking of you.
No, I can't stop thinking, can't stop thinking of you.
(I know it's crazy). After all the things you put me
Through. I can't stop thinking, can't stop thinking of
You.
(Can't stop) I'm never gonna get away.
(Can't stop) She's never gonna go away.
(Can't stop) I'm never gonna get away.
(Can't stop) She's never gonna go away.
(Can't stop. Can't stop) Thinking of you.

(Can't stop. Can't stop) Thinking of you.
(Can't stop. Can't stop) Thinking of you.
(Can't stop. Can't stop) Thinking of you.
(Can't stop. Can't stop) Thinking of you.
