I was waiting on the 6a.m. Catch a train down to see a
Man about a dog.

I tell ye man if I arrive late, I might as well just have
Stayed in bed. Ooh should have stayed in bed.

I was only trying to get us higher (higher).

You're always trying to steal my fire (fire).

Always trying to make me a liar (liar).

Only trying to get us higher.

I've been down town so many times. Smoking weed
can't be

Such a crime.

I've had to face the man in the high court. He tries to
Tell me what my life is worth.

What my life is worth.

I was only trying to get us higher (higher).

You're always trying to steal my fire (fire).

Always trying to make me a liar (liar).

Only trying to get us higher.

Ooh should have stayed in bed.

I was only trying to get us higher (higher).

You're always trying to steal my fire (fire).

Always trying to make me a liar (liar).

Only trying to get us higher.

Only trying to get us higher.

Only trying to get us, only trying to get us higher,

Higher...
