(SeVen)

Play the keys Rich

Play the strings Rich

Hey, Hey, Hey

(Lyndriette)First things first lemme tell you how I feel

Cause yeah, it's official and yeah its all real

And yeah, he my man and yo, yeah I'm feelin' it

But boy, you so cute and now two ain't got to trip

Cuz oh,

He ain't with me now tho(x3)

He ain't with me

Cuz I can be prim and proper standing by

And play my position, but tonight i need to shine

And yeah, I'm on a mission, it's been a long time

So pour that 808, keep it drippin on my spine

Cuz oh,

He ain't with me now tho(x3)

He ain't with me

(SeVen)

Don't want to feel like I'm inside a cage

So much is on my mind, no time to waste

And even though I know this is real love

Tonight, just watch me, watch me, watch me

Shake shake off the handcuffs cause I cant wait

(All)

Hey! Tell yo' man you need some space

Turn your phone off, Put it away

Dont worry, he'll be straight away

Hey! One more bottle, we're gonna be fame

Pull the pin and throw the grenade

Dont worry, he'll be straight away

OH! Wiggle Wiggle Wiggle girl! (x4)

(Brave)

I know how you feelin' girl, I've been there too
How everythin's lovely and he's takin' care of you
So let's make a promise, keep the drinks comin'
What else did you do? (girl) I ain't sayin' nothin'

Cause oh, he ain't with cha' now tho, he ain't with cha'

(SeVen)

And when I'm with my girls aint the same type of trust
When we all get to pimpin and bouncing on up
When time bombs ticking, start talkin mess
Just dance a little closer, that's why I wore this dress
cause oh!

He ain't with me now tho

(Audra)

He ain't with me now tho

(Brave)

Watch me dip it down low
(Watch me dip it!)

(Audra)

Don't want to feel like I'm inside a cage
So much is on my mind, no time to waste
And even though I know this is real love
Tonight, just watch me, watch me, watch me
Shake shake off the handcuffs cause I cant wait

(All)

Hey! Tell yo' man you need some space (hey!)
Turn your phone off, Put it away(away!)
Dont worry, he'll be straight away(Yeah...)
Hey! One more bottle, we're gonna be fame
Pull the pin and throw the grenade(good day!)
