[Lyndriette:]

C'mon Rich

Uh-oh-oh

Na-na-na-na

Na-na-na-na-na-na-na-na-na-na

[Verse 1: Seven]

I can tell you wanna get close

Maybe just approach me just too see babe

You better stop

Stuttering them words stop already oh na I'm bout to  
count too 10

I know, I know it seems kinda hard

Getting me to the down my yard

Wanna play dumb but I can't pretend cause for real I  
can't understand

[Hook: Audra]

Baby I'm the kinda girl who likes to stand out in the  
crowd

So baby I don't mind if you wanna keep looking me up  
and down

Cause I like what I got on

[Chorus: All]

A itty bitty little mini tang top showing off my little  
tattoo

[Audra:]

Tattoo and a, a pretty

[All:]

Pretty little frizzy little short skirt that's a little see  
through

[Audra:]

See through just a

[Lyndriette:]

Tiny little itty bit of sex appeal (sex appeal)

A little bit ankle tops skinny little heels what's up, up, up

[All:]

Itty, itty, bitty little pretty little smiget of an attitude,  
attitude

That's what's up, up, up, up, up

Just a little bit up, up, up, up, up

Just a little bit (oh! )

[Verse 2: Lyndriette]

Now baby can't run a couple of times before

I seen the same reaction too me

Must be the pretty itty bitty heart beating out your  
fantasies, fantasies (uh-oh-we)

I'm just a delicate girl

Making my way in this hard cold world

Them little tang tops and frilly little skirts just act too  
damn sanities, sanities

[Hook: Brave]

Now baby I'm the kinda girl who likes to stand out in the  
crowd

So baby I don't mind if you wanna keep looking me up  
and down

Cause you like what I got on

[Chorus: All]

A itty bitty little mini tang top showing off my little  
tattoo

[Brave:]

Tattoo and a, a pretty

[All:]

Pretty little frizzy little short skirt that's a little see  
through

[Brave:]

See through just a

[Lyndriette:]

Tiny little itty bit of sex appeal (sex appeal)

A little bit ankle tops skinny little heels what's up, up, up

[All:]

Itty, itty, bitty little pretty little smiget of an attitude,  
attitude

That's what's up, up, up, up, up

Just a little bit up, up, up, up, up (oh! )

Just a little bit, up, up, up, up, up (oh! )

Just a little bit up, up, up, up, up

Just a little bit (yea! )

Oh!

[Hook: Lyndriette]

Baby I'm the kinda girl who likes to stand out in the crowd

So baby I don't mind if you wanna keep looking me up and down [x2]
