[Audra:]

Shut up boy
Just shut up boy
Yeah, yeah
Yeahhh
Now what would it
Take to get
You to
Shut up for a minute
I'm sick of this yellin' contest
Oh, so you're a bit
Much wit it
Can't you
Shut up for a minute
And lemme get this off my chest

[SeVen:]

For the last 15 minutes
I've been tryna let you know
That my heart and mind ain't in this
Relationship no more
But you just keep on talkin' over me
Not listenin' as usual
Bet if I walked outta here right now
You'd just keep on talkin', so
You can keep runnin' your mouth all you want
When you stop to take a breath, I'll be gone
I said it's
So sad that it's ended this way
Gotta tell you goodbye baby
Could
You
Please
Shut up so you can hear me

[Ne-Yo:]

So whatcha saying girl, whatcha saying girl

[Audra:]

Shut up so you can hear me

[Ne-Yo:]

Tell me whatcha saying girl, whatcha saying girl

[Audra:]

Shut up so you can hear me

[Brave:]

I wanted to

Explain to you

Why I

Can't stay another minute

But I can't get a word in

No, no

[Ne-Yo (Brave):]

Baby I (See baby I)

thought everything was cool (See)

and that's why I don't understand (We can't)

what's wrong, don't (But)

leave me baby, no (*sigh*)

[Brave:]

Ya see what I'm sayin'?

Whoaaa

[Ne-Yo:]

Whatcha saying girl?

[Lyndriette (Ne-Yo):]

For the last 35 minutes (oh)

I've been trying to let you know (let you know)

That my heart and mind ain't in this (please don't leave me)

Relationship no more (cause I do understand that I love you girl)

You keep on talkin' over me

Not listenin' as usual (I'm listenin')

Bet if I walked outta here right now

You would just keep on talkin' so (oh, please don't leave me)

You can keep runnin' your mouth all you want

When you stop and take a breath, I'll be gone

Said it's

So sad that it ended this way

Gotta tell you goodbye baby

Could

You

Shut up so you can hear my

[Audra:]

You can keep runnin' your mouth all you want

[Seven:]

When you stop to take a breath, I'll be gone

[Lyndriette:]

Ay

Said it's

So sad that it's ended this way

Gotta tell you goodbye baby, yeah

[Brave:]

Could you please

[Lyndreiette:]

Shut up so you can hear me

[Ne-Yo:]

So whatcha saying girl, whatcha saying girl

[Brave:]

Shut up so you can hear me, yeah

[Ne-Yo:]

Tell me whatcha saying girl, whatcha saying girl

[SeVen:]

Shut up so you can hear me, yeahhh

[Ne-Yo:]

Baby I thought everything was cool and that's why I
don't understand what's wrong, don't leave me baby,
no

[Audra:]

Yeah, yeah

Shut up boy

Maybe just shut up boy
