Baby you should know what you're doing  
the way you got my heart beating loud.  
i just can't stop my head from moving  
i can't control myself, look at me now  
Feeling sweat run down on my head  
Only got me.. got me so high  
Feeling base like run through my legs  
never want this moment to stop

i found a little of heaven.. right on the dance floor  
please don't turn on all the lights  
Lets start rocking

don't want you to take me home  
cause i know i'll be there alone  
and i would rather lay inside your arms tonight  
i could travel anywhere, but i love standing in your  
stairs  
so baby let me lay inside your arms tonight..  
Tonight..

That beat sure know what it's doing  
The way he controlling the ground  
and i swear he's got me into it without saying a word  
or speaking so loud  
as the chills run down my spine  
Who would got me.. got me turned up  
Wanna freeze this moment in time  
Damn, it's never enough

i found a little of heaven.. right on the dance floor  
So please don't turn on all the lights  
Lets start rocking

don't want you to take me home  
cause i know i'll be there alone  
and i would rather lay inside your arms tonight  
i could travel anywhere, but i love standing in your  
stairs  
so baby let me lay inside your arms tonight..  
don't want you to take me home  
cause i know i'll be there alone

and i would rather lay inside your arms tonight  
i could travel anywhere, but i love standing in your  
stairs  
so baby let me lay inside your arms tonight..  
Tonight..
