"What Is Love?"

Love could change your world
It makes you feel lost in time
There's only you in my life
The only thing that is right
A life has just begun
I'll hold you close in my arms
And yes you'll be the one
Cause I feel that it's not enough
And I'm standing here for you
Now you're getting in my way
Love will turn your world around
What is love?

Nothing in the world
Never would be the same
Love will turn your world around
What is love? [x5]

What is love?

What is love?
What is love?
What is love?
What is love?

What is love?
What is love?
What is love?
What is love?
