Oooah, oooah,  
Oooah, oooah,  
Oooah, oooah,  
Oooah...

[Now I lay me down to sleep... ! ]

Do you wanna dance?  
Do you wanna fight?  
Do you wanna get drunk and stay the night?

{{Knowing what's the price of me/leave?}}

Do you wanna dance?  
Do you wanna fight?  
Do you wanna get drunk and stay the night?  
Do you wanna smoke till our throats are sore?  
Make out and then talk and then make out some more?  
Do you wanna dance?  
Do you wanna fight?  
Do you get drunk and stay the night?  
Do you wanna know all the things I do  
Where I'm all alone and thinking about you?  
Do you wanna?  
Do you wanna?  
Do you wanna?  
Do you wanna?  
Do you?  
Do you?  
Do you?  
Do you?  
Do you?  
Do you?  
Do you?  
Do you?  
Do it!

Do you wanna go back home?  
Your animals are all alone  
And there's a chicken waiting on the stove  
And your cousin left his DVD of "Swinging In The 70s"  
And do you wanna go back home?  
Check your messages and charge your phone

Oh are you, really sure you wanna go?  
When you could do it with a rock star, do it with a rock  
star?

Wait, wait, wait!  
I'll be fine in a minute  
Oh, oh oh  
Wait, wait, wait!  
I'll be fine in a minute  
Fine in a minute

I don't want your body just a part to listen to INXS  
All the practice in the world  
Won't get me good at loneliness-less  
Loneliness-less, loneliness-less-less-less-less

Do you wanna dance?  
Do you wanna fight?  
Do you wanna get drunk and stay the night?  
Do you want to see all my cavities?  
Talk about the crisis in the Middle East?  
Do you wanna get really terrified?  
Th'icecaps are all melting and we're gonna die  
Do you wanna cry?  
I can make you cry  
Do you wanna hit me baby one more time?  
Do you wanna?  
Do you wanna?  
Do you wanna?  
Do you wanna?  
Do you?  
Do you?  
Do you?  
Do you?  
Do you?  
Do you?  
Do you?  
Do you?  
Do it!

Wait, wait, wait!

I'll be fine in a minute  
Oh, oh oh  
Wait, wait, wait!  
I'll be fine in a minute  
Wait, wait, wait! (Do you wanna go back home?)  
I'll be fine in a minute  
Oh, oh oh  
Wait, wait, wait! (Do you wanna go back home?)  
I'll be fine in a minute  
Fine in a minute  
Fine in a minute
