You know with each day that passes by  
I pray to god i don't ever forget who you are you mean  
everything to me..  
I love you

You were in my dreams before i even knew there was a  
you and me  
Now i can't wait to see your smile when i wake up each  
day  
It makes it worth while with the kinda love you plant  
inside..  
Especially a heart as empty as mine  
All the soft tenderness is the one thing that i don't  
wanna miss..

I pray when it's time for me to say goodbye  
I'll never forget looking in your eyes  
I pray that i feel your touch and if god doesn't forget in  
our love  
I pray when i close my eyes i can still see visions of you  
on my mind  
I pray that i see you in another life i pray that you're still  
by my side  
Oh i pray

Everything that you've given me only comes in a  
fantasy  
It seems like life go so fast but this time i wanna make  
it last  
I hate that we live to die.. but only god knows why  
We all have a purpose and to see you again it'll all be  
worth it

I pray when it's time for me to say goodbye  
I'll never forget looking in your eyes  
I pray that i feel your touch and if god doesn't forget in  
our love  
I pray when i close my eyes i can still see visions of you  
on my mind  
I pray that i see you in another life i pray that you're still  
by my side

Oh i pray

I wish that i could stop time i wish that  
I could rewind the very beginning the every second  
Of my life and ask god on my hands and knees  
To never let me forget all my special  
Memories see i'm only promised today and if it's my  
time to go  
I don't want the love of my life to ever fade away so  
one  
Last time let me open my eyes to see what my life use  
to be like oh god

I pray when it's time for me to say goodbye  
I'll never forget looking in your eyes  
I pray that i feel your touch and if god doesn't forget in  
our love  
I pray when i close my eyes i can still see visions of you  
on my mind  
I pray that i see you in another life i pray that your by  
my side  
Oh i pray
