whats my name
(blowing back on this marry jane im analyzin the game)
And the game done chose me
(to bring pain to pussy niggaz and pussy hoes, its one
in the same)
Ever since u told me
(there's only room for 2, i've been making less room
for you)
Not only god could hold me
(hug my, love me, judge me, the only man that help is
above me, holla)

I met so many men its like they're all the same
My apitie for loving is now my hunger pain
And when im feeing sexy who's gonna comfort me?
My only problem is their insecurity

(tired of being alone) yeah yeah
(arguing on the phone) yeah yeah
(telling all ur friends)yeah yeah
(youll never understand)my love

cuz im real(the way u walk the way u move the way u
talk)
cuz im real(the way u stare the way u look ur style ur
hair)
cuz im real(the way u smile the way u smell it drives me
wild)
cuz im real and i cant go on without u

Girl, I've been thinkin' bout this relationship
And I wanna know is this as good as it gets
Cause we've been through the worst times and the best
times
But it was our time, even if it was part-time
My baby lookin' at me, smilin' at me, laughin' like we
wasn't happy
But not knowin', ever growin' and we're gettin' married
Hard lovin' and straight thuggin'
Bitch, I ain't doin' this for nuttin'
I'm here to get it poppin', hoppin, let's ride up in the

Benz

Hair blowin' in the wind, sun glistenin' off my skin, hey
I'm nasty, heh, you know me
But you still don't mess with your baby

cuz im real(the way u walk the way u move the way u
talk)
cuz im real(the way u stare the way u look ur style ur
hair)
cuz im real(the way u smile the way u smell it drives me
wild)
cuz im real and i cant go on without u

now people loving me and hating me treating me
ungreatfully
but not knowin that they aint making or breaking me
my life i live it to the limit and i love it
now i can breath again baby now i can breath again

now people screaming whats the deal with me and so
and so
i tell the bitches mind ya biz but they dont hear me
though
my life i live it to the limit and i love it
now i can breath again baby now i can breath again

(tired of being alone) yeah yeah
(arguing on the phone) yeah yeah
(telling all ur friends)yeah yeah
(nigga dont understand)my love

cuz im real(the way u walk the way u move the way u
talk)
cuz im real(the way u stare the way u look ur style ur
hair)
cuz im real(the way u smile the way u smell it drives me
wild)
cuz im real and i cant go on without u,and i cant go on
without u
