Look in my eyes
And tell me just what do you see
In schools that look like factories
We slow dance to our own heartbeats

Look in my eyes
As missing children fill the streets
Joan of Arc and Josephine
You can hear them sing

We are living in misery, in misery, in misery
We are living in misery but we have to hold on
Yes, we have to hold on

You and I, we are the sons and daughters of kings
I wanna live for centuries, I want to see everything

Now you're one of us, so fall in love with tragedy
This is the tempo and the key
This is the song we have to sing

We are living in misery, in misery, in misery
We are living in misery but we have to hold on
Yes, we have to hold on, yes, we have to hold on

Misery, living in misery, misery, living in misery
Hold on, hold on, hold on, hold on
Hold on, hold on, hold on, hold on

We are living in misery, in misery, in misery
We are living in misery but we have to hold on
Yes, we have to hold on
