they don't play the song on the radio  
they don't show the tits in the video  
they don't know that we are the media  
they don't know that we start the mania  
i don't want to see but i'm making you  
ass is off it's seat and i'm shaking you  
walking down the street i'm the lady - ja  
showing off my map of tasmania  
soft and sweet and shape like a triangle!  
some girls want no shape and they shave it all  
i think sad it hurts with the stubble  
walk in named look like an eight year old!  
i say grow that shit like a jungle  
give 'em something strong to hold onto  
let it fly in the open wind  
if it get too bushy you can trim  
they don't play the song on the radio  
they don't show the tits in the video  
they don't know that we are the media  
they don't know that we start the mania  
i don't want to see but i'm making you

ass is off it's seat and i'm shaking you

walking down the street i'm the lady - ja

showing off my map of tasmania!!!
