Everyone says it'll laugh like you  
Everyone says it'll get your smile  
But I'm the only one that knows  
You never loved me, baby  
Not a single solitary time  
Not a single solitary time

And everyone says it'll get your temper  
Everyone says it'll get your eyes  
'Cause I'm the only one who knows  
Where you were sleeping, baby  
And I really wouldn't be surprised

Everybody tells me that I'm crazy  
Saying I'm too young to have a baby  
But maybe the joke's on you this time  
Yeah, maybe the joke's on you this time

Everyone will say that I'm a liar  
And every day the swallowing gets tighter  
But keeping this a secret has been murder  
And I'd like to get on with my life  
I'd like to get on with my life

Everyone says it'll laugh like you  
Everyone says it'll have your smile  
But I don't even know if you're the father  
But there isn't any way it's mine
