Baby, I think I love you,
Honey, should I tell you?
Should I do?...
What else could I do?
Maybe I'm crazy...
But baby, I'm crazy about you
And how about you?

I've got to tell you
I've got this feeling
I've got to tell you
I've got this feeling for you, just for you
And I know that it's true 'cause you're making it good

I've got to show you
How I love you
I've got to hold you
'Cause I'm lost without you, without you
I was lost as you go and before it's apart

Baby, I think I love you,
Honey, should I tell you?
Should I do?...
What else could I do?
Maybe I'm crazy...
But baby, I'm crazy about you
And how about you?

I've got to tell you
I've got this feeling
I've got to tell you
I've got this feeling for you, just for you
And I know that it's true 'cause you're making it good

I've got to show you
How I love you
I've got to hold you
'Cause I'm lost without you, without you
I was lost as you go and before it's apart

I've got to show you

How I love you
I've got to hold you
'Cause I'm lost without you, without you
I was lost as you go and before it's apart
