Sail on down the line, 'bout a  
Half a mile or so, and I  
Don't really wanna know, a  
Where you're going  
Maybe once or twice, you see  
But time after time, I tried  
To hold onto what we got, but  
Now you're going  
And I don't mind  
'Bout the things you're gonna say Lord  
I gave all my money and my time  
I know it's a shame  
But I'm givin' you back your name, yeah, yeah  
Yes, I'll be on my way  
I won't be back to stay  
I guess I'll move along  
I'm looking for a good time  
Sail on down the line, ain't it  
Funny how the time can go, all my  
Friends say the told me so, but it  
Doesn't matter  
It was plain to see, that a  
Small town boy like me, just a  
Wasn't your cup of tea, I was  
Wishful thinkin'  
I gave you my heart  
And I tried to make you happy  
But you gave me nothin' in return  
You know it ain't so hard to say  
Would you please just go away, yeah, yeah  
I've thrown away the blues  
I'm tired of bein' used  
I wanna everyone to know  
I'm looking for a good time  
Good time  
Woah, sail on, honey  
Good times never felt so good  
Sail on, honey  
Good times never felt so good  
Sail on, sugar  
Good times never felt so good
