Say you, say me -  
Say it for always  
That's the way it should be  
Say you, say me -  
Say it together naturally!

I had a dream  
I had an awesome dream  
People in the park  
Playing games in the dark  
And what they played was a masquerade  
>From behind the walls of doubt  
A voice was crying out!

Say you, say me -  
Say it for always  
That's the way it should be  
Say you, say me -  
Say it together naturally!

As we go down life's lonesome highway  
Seems the hardest thing to do  
Is to find a friend or two  
That helping hand, someone who understands  
When you feel you've lost your way  
You've got some one there to say -  
I'll show you! Ooh, ooh!

Say you, say me -  
Say it for always  
That's the way it should be  
Say you, say me -  
Say it together naturally!

So you think you know the answer oh, no  
Well, the whole worlds got'ya dancin'  
That's right I'm telling you  
It's time to start believin'  
Oh, yes!  
Believe in who you are  
You are a shining star!

Say you, say me -  
Say it for always  
Oh, that's the way it should be  
Say you, say me -  
Say it together naturally!  
Say it together naturally!
