Lady, morning's just a moment away  
And I'm without you once again  
You laughed at me  
You said you never needed me  
I wonder if you need me now  
(chorus:)  
So many dreams that flew away  
So many words we didn't say  
Two people lost in a storm  
Where did we go?  
Where'd we go?  
We lost what we both had found  
You know we let each other down  
But then most of all -  
I Do Love You -  
Still!  
We played the games that people play  
We made our mistakes along the way  
Somehow I know deep in my heart  
You needed me  
'Cause I needed you so desperately!  
We were too blind to see  
But then most of all -  
I do love you -  
Still!
