hawa hawa eh hawa, khusbhoo luta day
kahaan khuli haan khuli, zulf bata day
ab uska bata day, zara mujhko bata day
main usse milon ga, ek bar mila day
yaar mila day, dildaar mila day
yaar mila day, dildaar mila day

hawa hawa eh hawa, khusbhoo luta day
kahaan khuli haan khuli, zulf bata day
ab uska bata day, zara mujhko bata day
main usse milon ga, ek bar mila day
yaar mila day, dildaar mila day
yaar mila day, dildaar mila day

phir kisi ke chehray ka rang khil gaya
bichra huwa aaj koi usko mil gaya
phir kisi ke chehray ka rang khil gaya
bichra huwa aaj koi usko mil gaya
kaise mil gaya, kahan mil gaya
humne tho dhoond liya sara zamana

hawa hawa eh hawa, khusbhoo luta day
kahaan khuli haan khuli, zulf bata day
ab uska bata day, zara mujhko bata day
main usse milon ga, ek bar mila day
yaar mila day, dildaar mila day
yaar mila day, dildaar mila day

yeh adaa bhi uski kya kaam kar gayi
jaati jaati ek haseen shaam kar gayi
yeh adaa bhi uski kya kaam kar gayi
jaati jaati ek haseen shaam kar gayi
shaam kar gayi, tere naam kar gayi
aise haseen chehray ko ab na bhulana

hawa hawa eh hawa, khusbhoo luta day

kahaan khuli haan khuli, zulf bata day
ab uska bata day, zara mujhko bata day
main usse milon ga, ek bar mila day
yaar mila day, dildaar mila day
yaar mila day, dildaar mila day

zindagi ki dhoop ko saaya kar gayi
aaj mere paas se woh guzar gaye
zindagi ki dhoop ko saaya kar gayi
aaj mere paas se woh guzar gayi
usne jo kaha, tumne bhi suna
yeh baat aur kisi ko na batana

hawa hawa eh hawa, khusbhoo luta day
kahaan khuli haan khuli, zulf bata day
ab uska bata day, zara mujhko bata day
main usse milon ga, ek bar mila day
yaar mila day, dildaar mila day

hawa hawa eh hawa, khusbhoo luta day
kahaan khuli haan khuli, zulf bata day
ab uska bata day, zara mujhko bata day
main usse milon ga, ek bar mila day
yaar mila day, dildaar mila day
yaar mila day, dildaar mila day
