Hello Dad, it's been a while  
Forty years to be exact  
Yeah time flies  
Heard you're not feeling well at all  
I apologize it took so long to call

I'd love to tell you about my wife and three kids  
No I don't blame you for anything you and mom did  
I guess the biggest mistake we could ever make  
Is never saying I'm sorry before it's too late

What's that you say, yeah I've been blessed  
I owe it all to God's good grace I confess  
When you were young you say you wrote songs too  
I'll bet in so many ways I'm a lot like you

I'd love to tell you about my wife and three kids  
No I don't blame you for anything you and mom did  
I guess the biggest mistake we could ever make  
Is never saying I'm sorry before it's too late

I don't know how we did it  
Squeezed forty years into thirty minutes  
Oh but I'm so glad we tried

Wish you could meet my wife and three kids  
Yes I forgive you for anything you ever did  
I guess the biggest mistake we could both make  
Is never saying I'm sorry  
Dad I'm saying I'm sorry before it's too late
