He carried the weight of the cross on His shoulder  
On the place of the skull  
They drove the nails through His hands and His feet  
His precious blood saved us all  
They said they had killed Him, the word quickly spread  
Just three days later He rose from the dead

He's alive, He's alive in me  
He's the truth that sets my soul free  
He is mercy and love the way of forgiveness  
The spirit that moves through our lives  
He's alive, He's alive

When you feel forsaken you're lost and alone  
You'll find Him there  
His arms are wide open to those who believe  
In the power of prayer  
Just look in the eyes of an innocent child  
You'll hear His laughter, you see His smile

He's alive, He's alive in me  
He's the truth that sets my soul free  
He is mercy and love the way of forgiveness  
The spirit that moves through our lives  
He's alive

All of the answers are there in the book  
He's all around us if we'd only look

He's alive, He's alive and well  
He is the truth that saves us from hell
