itane armaan lekar abb main jaaunga kahaan  
kuchh paane ko jo khoya phir paaunga kahaan  
manjil kho gayi ek pal ko bass raah rah gayi  
raahon ne yuun moda ki manjilhi mil gayi  
kab kahaan dil se nikali sada, mujhko nahi pata  
i am coming home again  
mil gayi mujhko meri disha, badali hai yuun hawaan

chehara jaanasa kuchh pehchaana sa, main tha magar main nahi  
sapane tute the armaan jhute the, aankhon mein mere kahin  
jo chaaha woh paaya hai maine magar  
kaise milaau main (khud se nazar - 2)

kisne mujhe na samajha, maine kise na jaana, deewar khud ban gayi  
rishte puri tarah se, bikhare bhi toh nahi the, bass thi daraare kayi  
abb woh deewaare daraare nahi  
apane hain sapane hai (saare yahin - 2)
