Oh Baby,
When I look into your eyes, feels good to me
When I feel the paradise like fantasy
Baby you're my angel, my guardian angel
Oh memories,
I feel it in my heart I feel it in my soul
Will never ever fall apart don't let me go
Baby you're my angel and you know that time will show

Take me tonight
Anything is possible
Time's on my side
The world is beautiful
I'll take my chance
Them take my dreams come true
Tell me you're mind
Oh Baby don't make me blue
And I know for sure
Oh I will never let you go

Oh memories
If we can be love this, let me be you're friend
Take me in you're lonely arms don't let it end
Baby you're my angel, my guardian angel
I'll be there
If we can be love this, let me be you're friend
You're always in my heart
Oh Baby let it end
Oh I'm you're angel
And you know that time will show

Take me tonight
Anything is possible
Time's on my side
The world is beautiful
I
