You are my favourite lady and you are my favourite  
man

yes  
you are

So it feels good to know that you feel the same.  
And forever and a day together we will be

Nothing on this earth could ever take you away from  
me.

'Cause I've been kissed but I - never knew love like this  
-

And I've been missed but I - never knew love like this -.  
Love someone before but I - never knew love like this -

I've had lots of lavin' but I never knew love like this.

You're something special -  
and you know you're something special  
too

I love you and that's all I need to hear to make my day.  
'Cause you're always on my mind  
no matter what I do

Nothing on this earth could ever keep me away from  
you.

I've been kissed but I - never knew love like this -  
...  
I've been kissed but I - never knew love like this -  
...

When I'm asleep at night  
in my dream I hold you tight

I never had a better love  
never love like this.

I've been kissed but I - never knew love like this -

. . .

I've been kissed  
baby  
- never knew love like this -

And I've sure been missed  
- never knew love like this -.  
Let's sing it together:  
I've been kissed  
I've been missed  
never knew love like this.  
I've ever knew love like this  
I never knew I ove like this! . . .
