Mastiam darde mano
dige davaa nemikone
gham baa man zade shode
mano raha nemikone

shab ke az rah mirese
ghorbatam baahaaah miad
Tooye koochehaye shab
Baa sedaye pash miad

man ghamo yeh kohneamo var midaram
ke tuye meykhune ha ja bezaram
mibinam yeki miad az meykhune
zire lab mastune avaaz mikhune

garmie masti miad
Tooye raghaye tanam
bebinam delam mikhad
Paaye ki harf bezanam
ki miad be harfhaye man goosh bede
akhe man gharibe mastam baa hame
yeki ashena miad be chashme man
vali az vaghte badam oonam ghame

khaste az harchi ke bud
khaste az harchi ke hast
be oon goftam ke beram
mesle har shab maste mast

baz delam mesle hamishe khalie
baz delam geryeye tanhai mikhad
barmigardam ta bebinam kesi nist
mibinam gham dare donbalam miad
