Here I stand head in hand
Turn my face to the wall
If she's gone I can't go on
Feelin' two-foot small

How could she say to me
Love will find a way
Gather round all you clowns
Let me hear you say

Hey you've got to hide your love away
Hey you've got to hide your love away

How can I even try
I can never win
Hearing them, seeing them
In the state I'm in

Hey you've got to hide your love away
Hey you've got to hide your love away

Hey you've got to hide your love away
Hey you've got to hide your love away

Hey you've got to hide your love away
Hey you've got to hide your love away
