You betta get down here tha bitch is failin to testify)

I'ma black hawk soldier

Known for slangin bolders

Quick to bring back

Everything off a sack

Keep they heads ringing

And real niggas know tha banging

Cause keys and p's is what I use to make my g's

Dog hoochie bitches to tha point of no return

And when I look back

Ask them hoes who tha mack

Toss tha cock up

Quick to crook and rook and shake that block up

Just one more lick and I'm finished with this shit

Lace game heavy wanna be busy with this dope

From the throat

This shit they usually love is tha quotes

But not to be quoted

Underblown or ovafloated

But a nigga be so damn devoted

To hurt em' with this real shit

(4x's)

To hurt em' with this real shit

Real shit

All day I get tha drama

Nigga fuck ya momma

My infrared is protection for tha head

So fuck tha senate

Cause like bennet

I aint in it

And when I twist

You keep them bitches out my mix

I do my thang only for tha thugs and hoes

Hairweaves, frenchbraids and phat ass fro's

So eat yo greens nigga and yo black eyed peas

Cause you know you cant fuck with these

Bump to yo knees with some

Real shit man

Peep tha wing span

From residential to presidential

Off instrumentals

My intentions be to hurt

Desert and take turfs

Rook em seize fo tongues

Leavin they whole crew sprung

Open and cop a plea

But tha Rich can't bite

Cause tha fever's runnin high tonight

(Until song ends)

I come to hurt em with this real shit
