Only child
Lonely one
Trying to act like his father's son
Make him proud through he sometimes fails
Locked up, living in a jail
Help me now
Help me now
God I feel misunderstood
Trust me now
Trust me now
Who I am is good.
Who I used to be ain't what I am
If you walked inside my shoes
Then you would understand
Who I am - you wonder
Who I am - I wonder
Who I am
Just who I am.
When I lost is when I learned
When the road took a crooked turn
Wore tha face of I just don't care
That piece of me just disappeared
Help me now

Help me now
Find some hope inside myself
Reaching down
Finding out
Who's hiding in this shell.
Who I used to be ain't what I am
If you walked inside my shoes
Then you would understand
Who I am - I wonder
Who I am - I wonder
Who I am
Who I am.
Somehow I got to find a mirror
To make the stranger clearer
All I wanna be is who I am.
Reaching down
Finding out

I still feel misunderstood
Trust me now
Trust me now
Who I am is good.
Who I used to be ain't what I am
If you walked inside my shoes
Then you would understand
Who I am - you wonder
Who I am - I wonder
Who I am
It's who I am.
Who I am
Who I am
Who I am
