"Goodbyes"

Goodbyes don't last forever.
They sometimes feel that way.
But if when you're feeling lonely,
"I love you" is all I need to say
There's no reason for you to doubt
That I'll be back with you someday.
Someday. Someday.

So wipe those tears away.
I already said that I'll be back someday.
And you know I care in that special way.
So open your heart to those things that I say.

Hold that which is dear to you
Closely to your heart
And overcome all your lonely fears
Before they tear your life apart.
'Cause if we hold on for tomorrow
We can have a brand new start
And things will be alright.

So wipe those tears away.
I already said that I'll be back someday.
And you know I care in that special way.
Open your heart to those things that I say.

Wipe those tears away [x2]

Goodbyes don't last forever.
They sometimes feel that way.
But if when you're feeling lonely,
"I love you" is all I need to say
There's no reason for you to doubt
That I'll be back with you someday.
Someday. Someday.

Goodbye
Wipe those tears away
Goodbye
Wipe those tears away
Goodbye

Wipe those tears away
Goodbye
Goodbye
Goodbye
