Hey, what's this feeling,

I've never been down this far before.

I was scared of believing,

That love would never find my door.

I was chained, chained,

Chained to my broken dreams.

I never knew who I was supposed to be,

Waiting for someone to come and rescue me.

Rescue me, rescue me.

Hey am I dreaming? I never woke up from night before.

Unaware I was bleeding, slowly dying like the sun.

Going down once more.

I was chained, chained,

Chained to my broken dreams.

I never knew just where my life would lead,

Hoping some one would come and, rescue me.

Rescue me, rescue me.

Alone in the darkness, 'till I saw the light,

Shining from your eyes, now it burns inside and keeps
me alive.

Lord I've been chained, I've been chained yeah.

Was chained, chained,

Chained to these broken dreams.

I never knew what who I was supposed to be,

Hoping someone would come and rescue me.

I've been chained, chained.

I've been chained to these broken dreams,

I never knew just where my life would lead.

Waiting for you to come and rescue me,

Hoping that someone would come and, rescue me.

Rescue me, rescue me.

Ooh yeah, rescue me
