Let me tell you a story

About body and blood

There's a fire below

Deep in the river of love

Hey pretty mama I'm just trying to be polite

I wanna make you feel the rhythm of the river tonight

And when the story is over

You'll be satisfied

Honey, honey, honey don't you understand

To make you feel like a woman

Makes me feel like a man

Let me take you down to the river of love

Baby pull me under

Make me drown in your flood

Baptize my body in your river of love

Wontcha take me down

I wanna drown

In your river of love

If you're a little lovesick

Woman I got the cure

Let me be your preacher

And you can be my whore
I feel your heart pumpin honey don't say not
I wanna dive in your river
Take you down real slow
And then your body will quiver
And the river will flow
Honey, honey, honey don't you understand
To make you feel like a woman
Makes me feel like a man
Let me take you down to the river of love
Baby pull me under
Make me drown in your flood
Baptize my body in your river of love
Wontcha take me down
I wanna drown
In your river of love
Down, down, down let me take ya
Down, down, down I wanna take ya
Let me take you down to the river of love
Baby pull me under
Make me drown in your flood
Baptize my body in your river of love
Wontcha take me down
I wanna drown
In our rive of love
