Only child  
Lonely one  
Trying to act like his father's son  
Make him proud through he sometimes fails  
Locked up, living in a jail  
Help me now  
Help me now  
God I feel misunderstood  
Trust me now  
Trust me now  
Who I am is good.  
Who I used to be ain't what I am  
If you walked inside my shoes  
Then you would understand  
Who I am - you wonder  
Who I am - I wonder  
Who I am  
Just who I am.  
When I lost is when I learned  
When the road took a crooked turn  
Wore tha face of I just don't care  
That piece of me just disappeared  
Help me now

Help me now  
Find some hope inside myself  
Reaching down  
Finding out  
Who's hiding in this shell.  
Who I used to be ain't what I am  
If you walked inside my shoes  
Then you would understand  
Who I am - I wonder  
Who I am - I wonder  
Who I am  
Who I am.  
Somehow I got to find a mirror  
To make the stranger clearer  
All I wanna be is who I am.  
Reaching down  
Finding out  
I still feel misunderstood

Trust me now  
Trust me now  
Who I am is good.  
Who I used to be ain't what I am  
If you walked inside my shoes  
Then you would understand  
Who I am - you wonder  
Who I am - I wonder  
Who I am  
It's who I am.  
Who I am  
Who I am  
Who I am
