We can reach the sea.  
They won't follow me. Shadows, they fear the sun.  
We'll make it if we run!  
Run from the memory.  
Je nage, mais les sons me suivent.  
Left my name with the border guards,  
a name that I don't need.  
Ce sera un long voyage  
sur les vagues de l'oubli.  
Run from the memory.  
Je nage, mais les sons me suivent.

Stop now before it's too late,  
been eating in the ghetto on a hundred dollar plate.  
Nothing lasts forever  
that's the way it's gonna be,  
there's a great black wave in the middle of the sea for  
me  
for you,  
for me,  
it's always for you.  
Stop now before it's too late.  
Your lover was for hire,  
have you noticed he's been late?  
Nothing lasts forever  
that's the way it's gotta be,  
there's a great black wave in the middle of the sea for  
me,  
for you,  
for me,  
it's always for you  
The sound is not asleep, it's moving under my feet.  
The sound is not asleep, it's moving under my feet.  
The sound is not asleep, it's moving under my feet.  
The sound is not asleep, it's moving under my feet.
