So I wait my turn, I'm a modern man
And the people behind me, they can't understand
Makes me feel like
Makes me feel like

So I wait in line, I'm a modern man
And the people behind me, they can't understand
Makes me feel like
Something don't feel right

Like a record that's skipping
I'm a modern man
And the clock keeps ticking
I'm a modern man
Makes me feel like
Makes me feel like

In my dream I was almost there
Then you pulled me aside and said you're going
nowhere
They say we are the chosen few
But we're wasted
And that's why we're still waiting
On a number from the modern man
Maybe when you're older you will understand
Why you don't feel right
Why you can't sleep at night now

In line for a number but you don't understand
Like a modern man
In line for a number but you don't understand
Like a modern man

Oh I had a dream I was dreaming
And I feel I'm losing the feeling
Makes me feel like
Like something don't feel right
I erase the number of the modern man
Want to break the mirror of the modern man
Makes me feel like
Makes me feel like

In my dream I was almost there
Then you pulled me aside and said you're going
nowhere
I know we are the chosen few
But we're wasted
And that's why we're still waiting
In line for a number but you don't understand
Like a modern man
In line for a number but you don't understand
Like a modern man

And you feel so right
But how come you can't sleep at night?
In line for a number but you don't understand
Like a modern man

I'm a modern man
I'm a modern man
I'm a modern man
I'm a modern man
