Sleeping is giving in, no matter what the time is  
Sleeping is giving in, so lift those heavy eyelids  
People say that you'll die faster than without water  
But we know it's just a lie, scare your son, scare your daughter

People say that your dreams are the only things that save ya  
Come on baby, in our dreams, we can live our misbehaviour

Everytime you close your eyes (Lies, Lies) [4x]  
Everytime you close your eyes [4x]

People try and hide the night underneath the covers  
People try and hide the light underneath the covers  
Come on hide your lovers underneath the covers  
Come on hide your lovers underneath the covers  
Hide it from your brothers underneath the covers  
Come on hide your lovers underneath the covers

People say that you'll die faster than without water  
But we know it's just a lie, scare your son, scare your daughter  
To scare your son, to scare your daughter  
To scare your son, to scare your daughter

Now here's the sun, it's alright (Lies, Lies)  
Now here's the moon, it's alright (Lies, Lies)  
Now here's the sun, it's alright (Lies, Lies)  
Now here's the moon, it's alright (Lies, Lies)

But everytime you close your eyes (Lies, Lies)  
Everytime you close your eyes (Lies, Lies)  
Everytime you close your eyes (Lies, Lies)  
Everytime you close your eyes (Lies, Lies)

Everytime you close your eyes [x3]
