We've come through some tough times

But we've come through them together,

All of us from every race, every religion and ethnic  
background.

All that we've done and all that we mean to do

Is to make this country freer still.

America's future rests in a thousand dreams inside  
your hearts.

It rests in the message of hope in songs of a man  
so many young Americans admire.

Live from the West Side Los Angeles

Yelling to the Lower East Side tenements

Who am I to criticize politics and yet glorify drugs and  
sex?

Well I'm the next evolution of the revolution

Fighting those over thirty and the institution

This musician's contribution is

A rendezvous for the new revolutionist

This new revolution is

Whatever it is
