I'm serving time  
all for a crime I did commit.  
You want the truth?  
You know I'd do it all again.  
Left for dead,  
heaven is only in my head!

I heard a voice  
calling from down inside a well.  
"See that silver shine?"  
she said to come claim what was mine.  
So down I fell,  
down into the water black.  
My prison cell,  
only the moon was shining back!

If I seem lost, well I weighted the cost  
and chose my crime-  
now it's mine all mine!

I hear the voice  
calling from just outside the well.  
She said, "You fool, now that you know your end is  
near;  
you always fall  
for what you desire  
or what you fear!"

Resurrected  
living in a lighthouse,  
If you leave  
them ships are gonna wreck.  
Resurrected  
living in a lighthouse,  
The lions and the lambs ain't sleeping yet.
