It's just cruel

It's just mean

I should've let this stay unseen

I don't believe that something's wrong

I don't believe that something's wrong

Fill up the gates but block the flow

Tilt back the head before they blow

Sit back again enjoy the show

My life's a movie now

I don't believe that anything is wrong

Close my eyes and I will be strong

By tomorrow I will have moved on

I don't believe that anything is wrong

It's just cruel

It's just mean

I should've let this stay unseen

Is this true?

Did you leave this out to read?

I should've let this stay unseen

It's none of my business

I hate that I read this

Don't want to address

I want to suppress this

Wow, my life's a movie now

I don't believe that anything is wrong

Close my eyes and I will be strong

By tomorrow I will have moved on

I don't believe that anything is wrong

It's just cruel

It's just mean

I should've let this stay unseen

Is this true?

Did you leave this out to read?

I should've let this stay unseen

I counted to ten, till you attracted attention

Relieved the tension and took the journal you
mentioned out

My life's a movie now

I don't believe that anything is wrong

Close my eyes and I will be strong

By tomorrow I will have moved on

I don't believe that anything is wrong

It's just cruel

It's just mean

I should've let this stay unseen

Is this true?

Did you leave this out to read?

I should've let this stay unseen
