Oh put your drink back up, put your smile on
as they know bad luck never last long
don't blame the party yeah, yeah yeah
oh turn the beat back up, turn the lights on
I know it's so dark at the bottom
don't blame the party yeah, yeah yeah
don't blame the party yeah, yeah yeah
don't blame the party yeah, yeah yeah

Oh put your drink back up, put your smile on
as they know bad luck never last long
don't blame the party yeah, yeah yeah
oh turn the beat back up, turn the lights on
I know it's so dark at the bottom
don't blame the party yeah, yeah yeah

don't blame the party yeah, yeah yeah
don't blame the party yeah, yeah yeah

Oh put your drink back up, put your smile on
as they know bad luck never last long
don't blame the party yeah, yeah yeah
oh turn the beat back up, turn the lights on
I know it's so dark at the bottom
don't blame the party yeah, yeah yeah
